

## Ethical Charter

By signing this **ETHICAL CHARTER**, the undersigned Association/Federation/Entity promises to observe and comply with the following principles:

### 1. Organisation and Mission

In case of Full and Provisional Membership, our futnet association/federation is or will be, at the moment of entry in UNIF, an existing association or federation according to the law of our country.

The structure and organization of our association/federation relies on an Executive Board where the democracy and the respect of Rules and Statutes are in the hands of professional and trustworthy people.

The mission of our association/federation is the development of futnet by providing to our members the following elements, including but not limited to, formation, training, referees, national competition(s) and national team.

In case of Associate Membership, our organisation actively promotes futnet in a country where there is no national association/federation recognised by UNIF.

Our mission is to inform about futnet, organise competitions and give all the practical support to the creation of a national association/federation.

### 2. Principle of Non-Discrimination

Our association/federation/entity shall at all times observe the principle of non-discrimination on the grounds of race, sex, religion, politics, sexual orientation and other.

### 3. Respect

Our association/federation/entity and its members shall behave with respect for each other and the environment, in and out of the game.

**4. Rejection of Drugs**

Our association/federation/entity firmly rejects the use of drugs and addictive substances and doping.
